High Temperatures in West, Central and Northern parts of the Country

Urgency: Future

Severity: Severe

Certainty: Likely

Issued:

Tue 11 Mar 2025
11:16 AM

Effective:

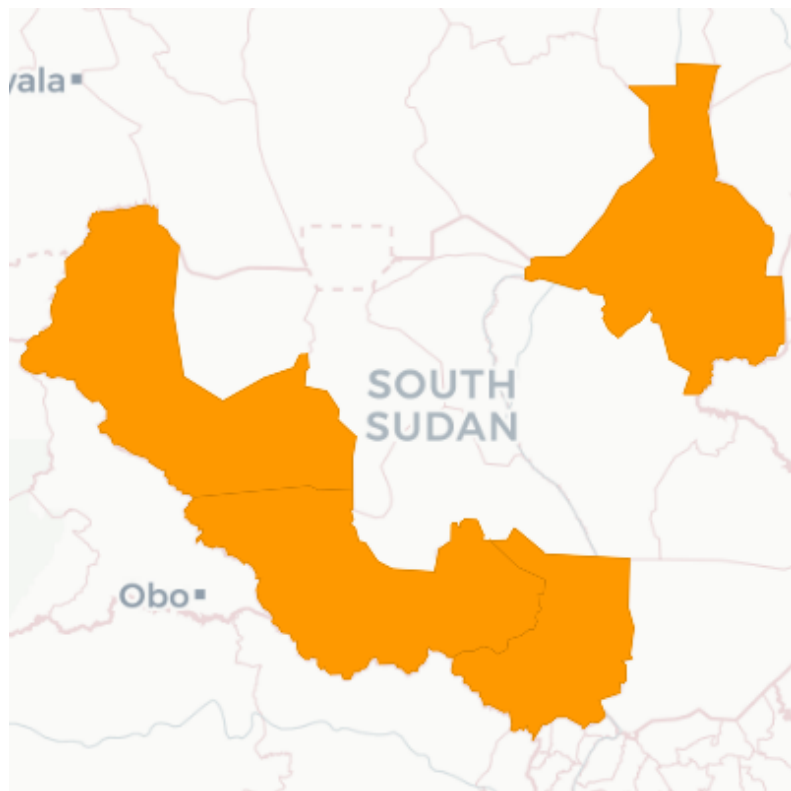

Wed 12 Mar 2025
8 AM

Onset:

Wed 12 Mar 2025
1 PM

Expires:

Wed 12 Mar 2025
5 PM

Area:

Central Equatoria, Western Bahr el Ghazal, Upper Nile, Western Equatoria

Description:

High temperatures are expected over several parts of the country (West, Central and North) between 12th to 17th of March 2025, especially in the hours of 2:00pm to 5:00pm. The temperatures are expected to cause heat stress.

Instruction:

The public is advised to avoid rigorous activities under the sun during temperature peak hours (1:00pm- 2:00pm), wear suitable clothings for the weather, and drink plenty of water whenever necessary.
